

Dorchester Youth Theatre's

COMBINED ARTS WEEK 2018

Every summer **DYT** organises a week long theatre project

Combined Arts Week (CAW). A production in a week, culminating in two performances where up to 40 young people take part in comedy, drama, song and dance.

It's a chance to try something new and not just for those who already excel in performing arts, everyone gets an opportunity. It builds friendships, promotes team work and most of all – it's fun! Participants return each year along with new members and lasting friendships are made.

This year's '**CAW**' will take place week commencing

20th August 2018 – Monday to Saturday at the Thomas Hardy School Theatre, Dorchester

Age range: 10-18 years.

Fees apply – participants need to be available for the whole week
